

2010 Waterfowl Reserved Hunt Application Digest

Application Period - August 1- 28, 2010

Apply online at www.michigan.gov/huntdrawings

Have you applied for the Pure Michigan Hunt?

Here is your chance to hunt for elk, bear, spring and fall wild turkey, and antlerless deer, plus an opening day reserved hunt at one of the managed waterfowl areas. Three winners will be drawn in January 2011.

It is only \$4 to apply and you may apply as many times as you'd like. For more information, check out www.michigan.gov/puremichiganhunt.

Thank you for purchasing a Michigan hunting license. Your hunting license dollars help restore and improve habitats for wildlife species, advance research on wildlife and wildlife-borne diseases, foster programs that help ensure access for public hunting, support hunter safety education and much more. We encourage you to keep hunting and to share your experiences with others. In doing so, you can do your part to keep our state's hunting heritage alive for future generations.

The Federal Aid in Wildlife Restoration Act places an excise tax on firearms, handguns, ammunition and archery equipment. The U.S. Fish and Wildlife Service apportions these funds to state wildlife agencies to be used for wildlife management, research, habitat acquisition, game area and shooting range development and hunter education. Since its inception in 1937, Michigan's share of the Wildlife Restoration funds has reached almost \$150 million.

The Michigan Department of Natural Resources and Environment provides equal opportunities for employment and access to Michigan's natural resources.
